Job Title: Graphic Designer	Department: Digital Marketing
Location: Flexible	Reports to: Director of Marketing

Our mission is to use the latest technology to help companies grow better. We want to use technology to change the way that companies find and interact with potential customers.

We're looking for a Graphic Designer to work with our Digital Marketing team to create engaging content for our clients. Our ideal candidate has a passion for design, is efficient, and is able to meet deadlines consistently. You'll be tasked with creating design collateral that will be used to drive lead capture for clients (and/or for ONEFIRE).

Ideal Skills & Requirements:

- Available design samples/portfolio
- Experience with Adobe Creative Suite
- Strong communicator and highly organized
- Ability to meet deadlines
- Familiarity with graphic optimization for the web
- Proficiency in coffee drinking, pool playing, and potluck participation

Why ONEFIRE?

While we're currently looking for freelance resources, many positions eventually grow into full-time needs. You have an opportunity to get in on the ground level and start assisting our growing company.

Contractor Perks:

- Our HQ is located in the fast-growing Peoria Warehouse District
- You can work on-site at our office or off-site at a location of your choosing
- Fully-stocked break room with complementary food & drinks
- Dog friendly & bike friendly office
- Work on your own schedule as long as you're hitting our deadlines
- Opportunities to work on engaging projects and grow your professional portfolio

We need smart minds, ambition, and passion to help us grow. Join our freelance team at ONEFIRE today! Email your resume and design portfolio to careers@onefire.com.
