

We're Hiring!

Job Title: Web Developer	Department: Digital Products
Location: Peoria, IL	Reports to: President & CEO

Our mission is to use the latest technology to help companies grow better. We want to use technology to change the way that companies find and interact with potential customers.

We're looking for a Web Developer to work collaboratively with a highly skilled, multi-talented team to create incredible software experiences for our customers. Our ideal candidate thrives in an agile environment and loves solving complex customer challenges. You can expect to spend your time supporting existing customers, creating custom projects for new customers, and developing internal software products for ONEFIRE.

Ideal Skills & Requirements:

- 4+ years working in Web Development
- Strong communicator and highly organized
- Experience with JavaScript
- Experience building applications to consume RESTful APIs
- Experience using AJAX to create dynamic web applications
- Experience with WordPress, HTML & CSS
- Experience with PHP
- Familiarity with Mongo, Express, React & Node (MERN Stack)
- Familiarity with Adobe Creative Suite and graphic optimization for the web
- Proficiency in coffee drinking, pool playing, and potluck participation

Why ONEFIRE?

You'll spend a third of your life at work. We want you to work somewhere where you look forward to Monday.

Perks:

- Our HQ is located in the fast-growing Peoria Warehouse District
- Casual work environment - come as you are and let's GSD
- Health club membership
- Fully-stocked break room with complementary food & drinks
- Your choice between Mac or PC
- Dog friendly & bike friendly office
- Flexible schedule with plenty of PTO time to use as you wish
- Advancement opportunities with a growing company

Benefits:

- Retirement savings with company matching
- Stake-In-The-Outcome Incentive Bonuses
- Healthcare stipend
- Dental & Vision insurance

We need smart minds, ambition, and passion to help us grow. Find the job you love and join our team at ONEFIRE today! Email your resume to careers@onefire.com.
